

Victor® Mini-Cat Repeating Mouse Trap

M307

According to PCO's, the Victor Mini-Cat is ideal for residential and small commercial installations. It's a perfect complement to the Victor Tin Cat, a proven solution in industrial and large commercial accounts.

Features/Benefits

- Inspectable top for quick service.
- Constructed of high impact plastic.
- Small size and low profile allow trap to be placed and concealed where others can't.
- Multiple-catch. Holds up to 4 mice.
- Sliding top for easy disposal and cleaning.
- Non-winding mechanism. Requires no resetting or monitoring—same as Victor Tin Cat.
- Economical and efficient. Non-poisonous. No baiting required.
- Service label included.
