

# Victor® Multi Cat Repeating Mouse Trap

From The World's Leader in Rodent Control.....

M419

M417

## Features/Benefits:

- Hinged lid allows for quicker, easier service
- Front door panel can be opened independently of lid for time and labor savings
- Heavy duty galvanized steel construction
- Longer lasting, reliable wind up mechanism
- Service record log included
- Available in both solid and clear top. Clear top allows for quicker trap inspection
- May be used in FDA and USDA inspected plants
- May be used indoors or out
- No poisons to harm children, pets or the environment
- Capable of catching multiple mice in a single setting
